***1st Place: \$1,000 Northside Pride Gift Package***

***2nd Place: \$500 Spending Spree from Nostalgic Homes***

***3rd Place: An Ice Cream Social for Ten at Little Man Ice Cream Factory***

While this list isn't even close to every mural in Northwest Denver, we hope it gets you off to a good start! We also encourage you to find others we didn't include on this list. We look forward to seeing what you find!

Don't forget your costume, including a mask for busier areas! Why take photos in your ordinary street clothes when you can take selfies in your best seasonal costume? Creative Costumes and mural pairings are part of how our judges will make their final winning decisions! (We've included all of the rules for instagram posting at the bottom of this PDF, as well as a photo link to an album to preview the murals!)

Please remember to respect private property and take photos from public property.

- Wear your best Halloween Mask or full-on costume and take a selfie at some of Northwest Denver's best murals between October 15-31.
- Visit a minimum of 5 murals, post your photos on our instagram @denvernorthstar; and tell us what you love about Northwest Denver.
- Use these hashtags in your posts #denvernorthstar, #northdenvermurals, #northsidepride. If you see the artist's name or the business the mural is on, tag them too! We want to share the love!
- All entries will be judged on their costume creativity and Northside sentiment (what you love about Northwest Denver) by North Denver's own muralist, "Jolt" (Jeremy Ulibarri) and other local artists.
- Email your photos to murals@denvernorthstar for the judges to view by October 31 for a chance to be featured in our upcoming November edition.
- Finally, everyone who participates and shows their 5 mural selfies to the Little Man Ice Cream team on October 31, 12-7PM will receive a safe, pre-packed bag of candy from our advertisers and community members to celebrate the spooky season. (Hint, Hint: Our judge, Jolt, has a cool mural at Little Man Ice Cream, 2620 16th Street, if you need one more for your last photo opp.)
